

ALTERFOR INTERNATIONAL WORKSHOP DAY 1

9th May 2019, Deutsches Hygiene-Museum, Lingnerplatz 1, 01069 Dresden
(www.dgmd.de)

14:30 – 15:30 Session 5.3 (within “WALDEUROPA” p.27 in the conference program; all talks in German, slides in English)

- | | |
|---------------|--|
| 14:30 – 14:35 | Professor Max Krott (UGOE): ALTERFOR ¹ – Alternative Waldbaukonzepte für Europa
<i>ALTERFOR – Alternative models and robust decision-making for future forest management</i> |
| 14:35 – 15:00 | Dr. Peter Biber (TUM): Ökosystemleistungen und Waldbewirtschaftung in Europa – Perspektiven aus dem Projekt ALTERFOR
<i>Ecosystem Services and Forest Management in Europe – Perspectives from the ALTERFOR project</i> |
| 15:00 - 15:15 | Professor Max Krott (UGOE): Politische Herausforderungen für den modernen Waldbau in Europa
<i>Policies for modern forest management in Europe</i> |
| 15:15 – 15:30 | Discussion |

¹ This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 676754.

ALTERFOR INTERNATIONAL WORKSHOP DAY 2

**10th May 2019; Deutsches Hygiene-Museum, Lingnerplatz 1, 01069 Dresden
(www.dgmd.de)**

12:00 – 16:30 ALTERFOR Session (H26 in the program, runs parallel to other DFV events and excursions)

12:00 – 13:00	Lunch (Deutsches Hygiene Museum; charged)
13:00 – 14:30	Part I Forest development scenarios within ALTERFOR Moderator: Associate Professor Vilis Brukas
13:00 - 13:22	Sweden (Isak Lodin SLU und Anders Ekstrand SÖDRA): Forest management alternatives for increased production and climate change mitigation
13:23 – 13:45	Germany (Dr. Peter Biber & TUM Team): Forest Development Scenarios in the ALTERFOR Case Study “Augsburg Western Forests” – Data, Methods and Key Results <i>(Szenarien der Waldentwicklung in der ALTERFOR Fallstudienregion “Augsburg Westliche Wälder” – Daten, Methoden und zentrale Ergebnisse)</i>
13:45 – 14:07	Italy (Assistant Professor Mauro Masiero & Federico Pinato ETIFOR): Lowland Forest Association (Italy): Innovative forest management solutions beyond silviculture
14:08 – 14:30	Turkey (Assistant Professor Uzay Karahalil & KTU team): What ALTERFOR brought to "Gölcük" Case Study Area in Turkey. Analyzing outputs of various ecosystem services under different scenarios
14:30 – 15:00	Coffee Break
15:00 – 16:30	Part II Forest development scenarios within ALTERFOR Moderator: Dr. Peter Biber
15:00 – 15:30	Associate Professor Vilis Brukas (SLU): Policy options based on ALTERFOR
15:30 – 16:00	Dr. Anu Korosuo (IIASA): Possibilities of alternative forest management models under the new LULUCF regulation in Europe
16:00 – 16:30	Dr. Mirjana Stevanov (UGOE) & country representatives: From science to silviculture practice: steps by multiple ALTERFOR countries (discussion moderated by Professor Max Krott)

ALTERFOR INTERNATIONAL WORKSHOP DAY 3

**11th May 2019; excursion G29 (Brandenburg):
Modern silviculture for fire prevention and firefighting: ALTERFOR-case
Brandenburg-Lieberose Peitz” (charged bus excursion)**
